

YEAR 8 1ST DOSE HPV CATCH-UP CLINICS

Dear parent/guardian,

We have recently visited your child's school as part of the 1st dose HPV immunisation programme. If your child did not receive their vaccine in school and you would like them to have the vaccine, please complete and submit the attached e-consent form by clicking on the link or scanning the QR code below, this will take you to the e-consent form. Your email address must be correct on the form to receive an email receipt. You will then receive an email to confirm an appointment at one of our catch-up clinics on Friday 22nd July 9-1 pm at Splott Mass Vaccination Centre or Holme View Leisure Centre, you will be given the option to choose which clinic you would like to attend.

NB; If you have already submitted an e-consent form you would have received a catch-up clinic appointment email, if you are unsure please check your emails.
