

YEAR 11 – FINAL EXAM TIMETABLE

WB Monday 23RD January 2023

ALL Year 11 pupils will be sitting their “FINALS” in January. We describe these internal exams as “FINALS” because they give pupils their final chance to practise before the real external GCSE exams in May/June. Those not doing Welsh will continue with their classwork.

Pupils are expected to take these exams seriously, to prepare well for them and to see the value in them. They will help give pupils and teachers a clear indication of those areas that need further work and focus before the actual GCSEs in the summer months.

In order to get ready for these we are giving pupils a months’ notice. The timetable includes all the exams they will be sitting and when. This enables all year 11s to plan, prepare and revise, including over the Christmas break. Class teachers will direct pupils towards areas they need to revise, provide revision resources and top tips for success.
