Dear Parent/Carer,

**Re : COVID vaccinations for pupils aged 12-15**

I enclose information that has come out from Welsh Government concerning vaccinations for school age pupils. I do not have any information yet about when and where these might be – if it is at school, I will of course write again. It is likely you may be contacted directly at home regarding this.

Please note the school has no responsibility to secure consent for the COVID vaccination, even if it held on school premises; these issues fall primarily with the Health Service.

There is unfortunately much disinformation regarding this vaccination – therefore, I enclose an information sheet from NHS Wales to help you with any decisions.

Yours faithfully

Headteacher
