What is MIHS Cloud?

MIHS Cloud is MIHS' new VLE. It provides online access to revision resources and lesson notes in an easy to use way. Using MIHS in the Cloud is as easy as 1, 2, 3!

STEP 1 Visit the MIHS Website www.maryimmaculate.org.uk

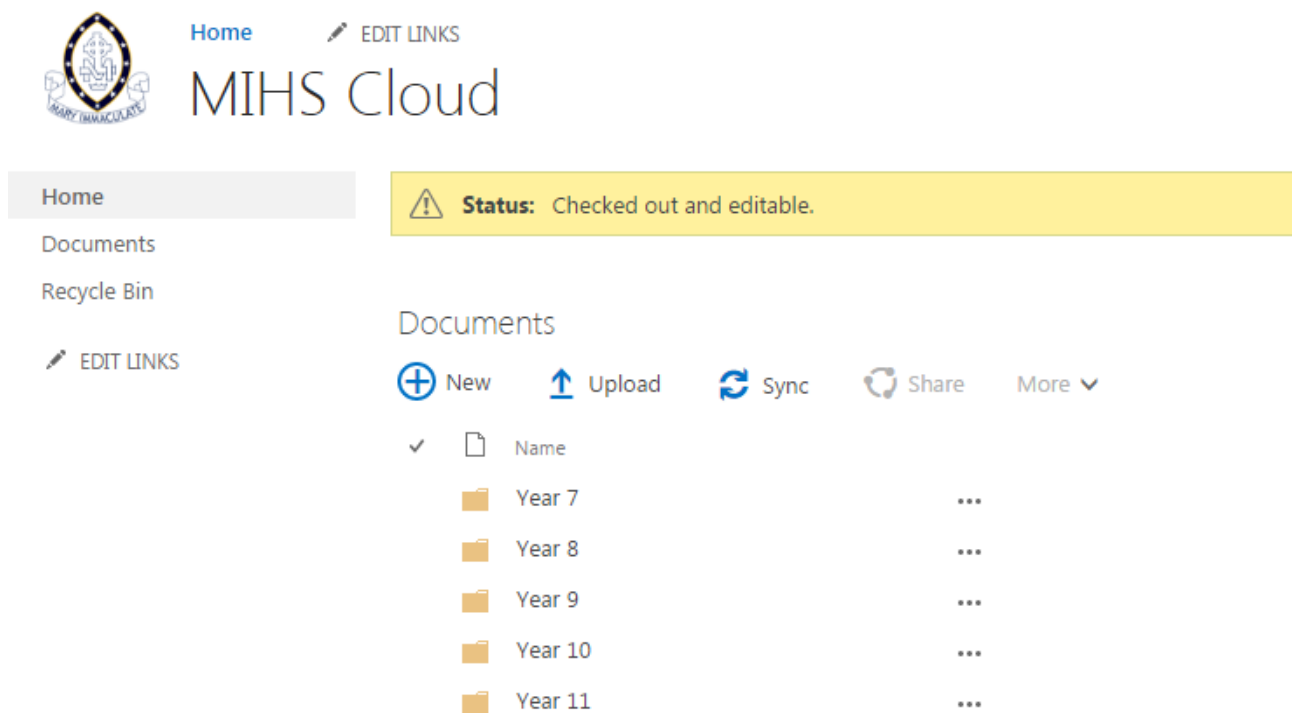

STEP 2 Click the MIHS Cloud icon (Top right)

STEP 3 Sign in with your school 365 username and password (ie 17Marl@maryimmaculate.cardiff.sch.uk)

That's it! You're in!

The screenshot shows the MIHS Cloud interface. At the top left is the MIHS logo with the text 'MARY IMMACULATE'. To its right are the words 'Home' and 'EDIT LINKS'. The main title 'MIHS Cloud' is prominently displayed. Below the title, there is a navigation sidebar on the left with 'Home' (selected), 'Documents', and 'Recycle Bin', and an 'EDIT LINKS' button. A yellow status bar at the top right indicates 'Status: Checked out and editable.' The main content area is titled 'Documents' and features a toolbar with 'New', 'Upload', 'Sync', 'Share', and 'More' options. Below the toolbar is a table with a 'Name' column and a list of folders: 'Year 7', 'Year 8', 'Year 9', 'Year 10', and 'Year 11', each with a three-dot menu icon to its right.

To view resources just select your Year Group, for example Year 10, and inside you will find a list of folders for each subject. Clicking a subject folder will show all the resources for that subject. You can view them online or download them. Easy.
